HELPING YOU FIND YOUR WAY THROUGH TREATMENT

Issue 20

A Major Cancer Prevention Study

Since last year, the American Cancer Society has been enrolling people in a massive and important new study that promises to shed light on many of the factors that influence how cancer develops and why. Between now and 2011, The American Cancer Society is recruiting 500,000 people to take part in this long-term study of lifestyle and cancer. For more information and to enroll, [click here](#).

For more cancer information, call 1-800-ACS-2345
